

## Barry Wojciechowski Photography *LPPO, PPOC*

Barry Wojciechowski was born in Thunder Bay and is passionate about Sleeping Giant Provincial Park. After years of working and living in the park, Barry has become

intimately familiar with the wealth of photo opportunities available at Sleeping Giant. Barry's work has been published by various magazines and government agencies including Ontario Parks and Canadian Geographic magazine. In addition to landscape and wildlife photography, Barry provides photography for tourism, sporting events, weddings and commercial projects. Join Barry to learn what it takes to capture that special image on your next Ontario Parks' adventure.

### Sleeping Giant Provincial Park

The park is located one hour from Thunder Bay via Highways 11/17 and 587. Choose to extend your stay by making a campsite reservation at [www.OntarioParks.com](http://www.OntarioParks.com) or by calling 1-888-ONT-PARK (1-888-668-7275).

For the Fall weekend workshop you will stay in one of the park's cabins (3 bedrooms, full kitchen, fireplace, screened in porch). Meals not included except for Friday's welcome barbeque.

For more information on Sleeping Giant Provincial Park visit [www.OntarioParks.com](http://www.OntarioParks.com). For information on park cabin rentals call 807-977-2526.

### What to bring...

**Camera gear**—digital camera, memory cards, memory stick, extra batteries & charger, tripod, camera bag, note pad, pencils and *especially your camera manual!*

**Laptop computer**— optional for workshops. Do bring your cable hook-ups to enable viewing of images on the big screen!

**Clothing**— Be prepared for various weather conditions—rain, sun and insect protection. Dress in adjustable layers. Sturdy footwear for hiking around the park is recommended. We will have practical outdoor sessions regardless of the weather, so be prepared.

**Food** — Pack a lunch, snacks and water for day workshops. Warm beverages will be provided. The Fall weekend workshop includes a welcome barbeque on Friday.

**Personal vehicle** - for travel to/from and within the park as required to reach park features.

### Workshop Overview...

All workshops will begin with indoor instructional slide presentations in the park's visitor centre theatre. Afterwards, time will be spent outside practicing your hands-on photography skills under Barry's guidance. Various park trails and scenic locations will be used during each workshop. Opportunities for personalized feedback from Barry will be provided.

All workshops are available on a first come first booked basis. Register early to avoid disappointment. Class size is limited to ensure feedback for participants. Workshops are intended for participants 16 years of age and older.

Digital *Workshops* 2009

## Sleeping Giant Provincial Park

Featuring Thunder Bay Professional Photographer  
Barry Wojciechowski, LPPO/PPOC

## Join us this season...

Join local professional photographer Barry Wojciechowski as we start a season of digital photography workshops. So pull out your camera gear, dust off the cobwebs and let Barry refresh or enhance your camera skills with tips and techniques on the *how to's* of digital photography amongst the inspiring natural wonders of Sleeping Giant Provincial Park.

### Spring Forward Workshop

**Saturday, June 6, 2009 (10 a.m. - 6 p.m.)**

**Beginner to Intermediate**

Let your outdoor photography season begin with this digital photography workshop, great for all skill levels. Got new gear? Start here!

#### Topics include;

- Digital photography - rules to be broken (*or not*)
- Buttons and knobs - what's the manual all about?
- Knowing your subject, up close and personal
- The art of lighting - when to use your flash

### People in Parks Workshop

**Saturday, July 11, 2009 (10 a.m. - 6 p.m.)**

**Beginner to Intermediate**

Summer is in full swing and families and friends are out in the park enjoying another season of adventure. Join Barry to learn how to best capture your camping memories under various lighting conditions. This workshop will focus on the techniques of people photography in parks.

#### Topics include;

- Candid and group shots - getting great photo memories
- Looking for the light - when to use natural or artificial light
- People on the move - catching summer action
- Picture perfect images without using Photoshop

### Wildlife Wonders Workshop

**Sat., August 22, 2009**

**(10:00 a.m. - 6:00 p.m.)**

**Beginner to Intermediate**

August is here and the park critters are out and about. Join Barry to learn how to capture the wonders of park wildlife in their natural habitat.

#### Topics include;

- Wildlife photography equipment - how to use it
- Getting to know your subject - the art of patience and luck
- Mastering depth of field (focal length)
- Exposing wildlife - metering light to get the best image
- The eyes have it - capturing the glimmer in their eyes.

### Captivating Fall Colours Workshop

**October 2-4, 2009 - Weekend**

**(Friday 4 p.m. registration - Sunday 4 p.m.)**

**Beginner to Intermediate**

Fall is in the air and the leaves, they are a changing...

Join Barry to learn how to capture park landscapes and scenery at Sleeping Giant amongst the vivid fall colours.

#### Topics include;

- You and your tripod
- Working with your histogram
- Optimizing depth of field and shutter speed
- Horizontal or vertical formats - which way to go?
- Capturing park landscapes and scenic vistas
- Managing your sunrise and sunsets

Workshop includes three days professional instruction, two nights shared accommodation in park cabin, park admission and welcome barbeque reception. Cabin check in - after 3 p.m., check out - before 11 a.m.
